

Competition Team Ballet

Class Description

This class is designed to prepare the dedicated student for dance competition. In addition to learning proper ballet technique, the dancers learn to work as a team. One routine is carefully choreographed and perfected to be entered at various dance competitions. Acceptance to competition team class is by audition only.

Prerequisite

Previous ballet training is required.

Requirements

Ballet team dancers are required to take 1 ballet class per/week.

Age

Class placement by skill level

Attire

Black leotard (any sleeve length with no skirt attached)
Pink footed or convertible dance tights

Shoes

TBA. Once the music and costume have been selected, an appropriate shoe will be picked. Please wear any type of ballet shoe that you have until the shoes have been decided on.

Hair

Must be in a bun

Other

We generally try to go to 3 rather local competitions per season. There is a strict attendance policy for team. Team members are only allowed 3 absences until the completion of the last competition unless the directors have approved additional absences. Costumes are picked out by the teacher and paid for by the performer in the fall. Students may also need to purchase specific tights, undergarments, make-up, props, etc. Dancers also must buy required team apparel.
