### Walmart & Payless

If buying for a young "Pre" level Dancer, Walmart and Payless often carry the pink leather ballet slippers and black tie tap shoes at a lower cost. The quality of the shoe is not as good, but is certainly fine and acceptable at this level. Sometimes they also carry the black leotard that meets our requirements. But remember, no skirt attached.

### Target

Sometimes target carries a black leotard that meets our requirements. But remember, no skirt attached.

### Dance Corner Bin of Donated Used Shoes (Located in Studio B)
