

## **Ages: 7 & Up**

The Dance Corner Intermediate Ballet Intensive offers a comprehensive, challenging program for the serious dance student. It requires a high level of commitment and dedication from all of its participants.

The one week session includes classes in ballet technique, pre-pointe, lyrical, choreography and Pilates. The goal of the intensive is to nurture, develop and challenge each dancer's technique as well as cultivate their self-expression and self-confidence.

The intensive will be held at The Dance Corner studio and the session concludes with a showing for friends and family.
